Dear Sir/Madam!

Africa's high potential and its economic growth for recent years marks an undoubted development of the continent and we are very happy that economic development and co-operation with Latvia is growing.

Your experience and knowledge are very important to contribute with your expert opinion in the survey with aim to identify potential co-operation solutions for African industrials and Latvian specialists. MS Ludmila Lozova is guiding this survey, we hereby kindly ask to contribute your expert opinion. All data will be used in updated version for preparation of suggestions for Africa – Latvia economic co-operation.

Sincerely,

Ludmila Lozova
